

DIESEL WORLD

DRAG RACING EVENT #2 '20

We're tired of waiting for the 2020 event season, so we're starting our own!

We're going Drag Racing, Again! July 11!

Diesel World is teaming up with the **Outlaw Diesel Super Series** and **Wagler Motorsports Park** to bring diesel enthusiasts what they crave, high-horsepower diesel racing action!

On July 11th 2020 some of the best diesel drag racers in the country will be racing head to head in standard ODSS fashion at Wagler Motorsports Park in Lyons, Indiana. This event will be closed to the public and strict Social Distancing will be practiced in observation of all required COVID-19 regulations. Diesel World will be live streaming the race. This won't be your standard "random guy with a cell phone on the side of the track" feed, we'll have multiple camera operators and sophisticated equipment to seamlessly transition from camera to camera offering a more enjoyable viewing experience.

This event will air on Diesel World's Facebook page & YouTube Channel and will also be promoted during the event with short "teaser" posts on Instagram all day. Video will be available for your use after event is concluded as well.

Feed begins at 10am, Saturday July 11th and wraps up late that evening.

*New wifi system will be in use to remedy prior event quality concern.
